## CHAMPION'S CREED

When all the empty words have escaped  
The mouths of those in the race,  
And quiet time sets in . .  
Reflect a moment, capture the truth,  
And remember the Champion's Creed.

When the cheering has stopped  
And the back - slapping is done  
And quiet time sets in . . .  
Was your work hard enough,  
Did you work the Champion's Creed?

A strong will and desire are part of the plan,  
And quiet time sets in . . .  
A will finds a Say  
Desire becomes the Power  
Did you live the Champion's Creed?

You athletes know all the rewards  
Or the ways of a champion's path  
As quiet time sets in . . .

Responsibilities it is true are given to you  
Are you worthy of the Champion's Creed?  
Champion's you know are a cut above;  
There are those who wish to follow,  
And quiet time sets in . . .

Realize the need to plant the seed;  
Pass on the Champion's Creed.
